

FIRE AT ST ALBANS

At half past eight on Wednesday night, at St. Albans, a lamp exploded at the residence of Mrs. Menesdorfer, mother of Mr. Charles Menesdorfer, of the Town Hall Pictures, Sunshine. The house was soon in a terrific blaze, and was, with its contents, totally destroyed. Mrs. Menesdorfer who is practically an invalid, was alone in the house at the time, but fortunately escaped serious injury.

Mr Jack Downing has been elected to the secretaryship of the Sunshine Harvester Cricket Club.
