

Braybrook Reserve To Be Pennell Reserve

IN future the Braybrook Reserve is to be known as the "Pennell Reserve". This was decided at Monday's meeting of the Council when a notice of motion by Cr. H. Dempster was carried.

Cr. Dempster had previously notified that the name be "Albert Pennell" Reserve but he said that on reflection he realized the name "Pennell" only would honor the whole family.

The Council was thoroughly in accord with this move; it being pointed out that Cr. A. Pennell's father was one of the pioneers of the district whilst his brother, Mr N. Pennell had also rendered good service to the district.

Mr. W. E. Carruthers, a former resident of Sunshine is a candidate for a vacant seat on the Werribee Shire Council, caused by the resignation of Cr. F. Emery. The election will take place on 26th inst.

When residing in Sunshine, Mr. Carruthers was associated with the Boy Scouts and Harriers.

During the war he served in the navy and on being discharged built his own home in Altona which is in the Werribee Shire.
