
FIRE DESTROYS HOME

Mr. and Mrs. O. Doak, of 145 Devonshire Rd., Sunshine, had the misfortune to have their home partly destroyed by fire last Saturday.

Residents of the neighbourhood worked strenuously to help save most of the furniture and after the fire was quelled helped to clean-up and replace the furniture.

Mr. and Mrs. Doak are very appreciative of the wonderful assistance given to them. Their eldest son, Gordon who was ill with pneumonia, had to get out of bed during the fire, and though very sick strove desperately to save some of his belongings but they were mostly destroyed.

Gordon has been prominent as a member of St. Mark's Harriers and last year completed a successful year with the Victorian Amateur Walkers Club.
