

Sunshine Advocate

Unfortunate accident, Warren Gerald Chandler, Aged 19

7th September 1956 Page 3

Unfortunate Accident

At the commencement of the Council meeting proper on Tuesday, Cr. Easton referred to the unfortunate cycle accident on Sunday in which Warren Chandler met his death.

Warren Chandler, who was only 19, very efficiently partnered Carolyn McIntyre in the Debutante Set at the Presidential Ball on 10th July, and also at the Return Ball on the 27th.

A motion of sympathy was carried by a minute's silence.
